

**Providence
Health Care**

How you want to be treated.

Attention Point-of-Care Nursing & Allied Health Staff

Do you have a **question** from your clinical practice?
Do you want to **learn more** about the research process?

The **RESEARCH CHALLENGE** is for you!

2025 PHC Practice-Based Research Challenge

Designed to support point-of-care staff who do not have research experience, the Research Challenge will:

Learning-Forward
Discover, Learn & Innovate for Impact

Sustainability
Proactive financial and environmental stewardship

Person and Family-Centred Care
Partners in care

- **HELP** you learn about research and conduct your own clinical practice project
- **PROVIDE** information and mentorship
- **ANSWER** a question you have about your area of clinical practice
- **FUND** a limited number of projects each year

Person- and Family-Centred Care continues to be a focus; all teams will be supported and required to include patient/family input and Patient Family Partners as advisors in their projects

For more information or to download the Letter of Intent form:

Visit the Professional Practice Connect page:

<https://connect.phcnet.ca/quality-safety-value/professional-practice/interdisciplinary-research/research-challenge>

If you are unable to connect to the intranet site, email researchtraining@providencehealth.bc.ca for more information.

DEADLINE TO APPLY:
