Total Salaries Greater than \$75,000		173,935,391	1,519,973
Total Salaries Equal to or Less than \$75,000		210,677,961	943,889
Total Salaries		384,613,352	2,463,862

This schedule is not directly reconcilable to the consolidated statement of operations in the audited consolidated financial statements for the following reasons:

1. The schedule is prepared on a cash basis while the consolidated financial statements are prepared on an accrual basis.
2. The schedule does not include amounts related to the employer portion of employee benefits which are included in the consolidated financial statements.
3. The schedule does not include amounts related to contracted labour and physician fees which are included in the consolidated financial statements.

Total Payments for Goods and Services	550,593,588

This schedule is not directly reconcilable to the statement of operations in the audited consolidated financial statements for the following reasons:

1. The schedule is prepared on a cash basis while the consolidated financial statements are prepared on an accrual basis.
2. Payments related to capital projects are reflected in Providence's consolidated statement of financial position rather than the consolidated statement of operations.
